**Balmy temperatures, glorious nature, an exclusive retreat: a holiday at Golden Hill Country Chalets & Suites in the vineyards of Southern Styria promises to have a profound effect and create moments that you will cherish forever.**

## **Warm. Glistening. Golden Hill.**

Paradise has a resounding name - a retreat characterised by pure idleness is given an exclusive backdrop: In the middle of Mediterranean Southern Styria, surrounded by lavender, wine and enchanting cypresses, you will find Golden Hill. A place of longing that promises freedom for the body and soul. It has already received many awards - just recently again as the No. 1 hideaway in the BEST HOTELS IN AUSTRIA, from Gault&Millau, Falstaff-Travel and Lifestyle-Insider.com. And last but not least, it impresses with its skilful fusion of ecology and aesthetics.

A stylish ensemble of exclusive country chalets, a contemporary renovated country house, extravagant premium chalet and unique panorama loft sets the scene for your personal summer of love and spring feelings. The leading actors: all those who would like to treat themselves to some really golden moments. Those who are looking for pure privacy combined with infinite space for relaxation and who do not want to be bound to any fixed times for culinary indulgences, but simply want to live the day out to the full. For whom an extravagantly charming atmosphere and undisturbed wellness are non-negotiable and go hand in hand with sustainability. And for those who turn up one day in a dinner jacket, the next in a tracksuit for some delicious private dining, served up in their very own holiday kingdom. Taking enjoyment in style to a whole new level. To devote oneself completely to oneself, to relaxation, to pleasant idleness in absolute tranquility. The personal dedication of the hosts makes any stay a complete luxury. That is Golden Hill.

**Sounds too good to be true?**

It feels like that at first too. And yet the much longed-for feelings of well-being - which are, by the way, quite real - are not a long time coming on the "golden hill".

They are especially noticeable from the prime waterfront seats by the natural swimming pond, infinity pool or swimming channel with a view. These intensify whilst bathing, surrounded by blissful forest, in the expanses of the green heart of Austria. But they can also look like a simple card game with your favourite people in the mellow evening sun. To have time. To do as you please. Enjoying only the best of the best. Because you deserve it. FeelingsIwillneverforget à la Golden Hill.
